Chesterton Choral Society

**WELCOME**

We are delighted to present a programme of enchanting and inspiring orchestral and choral music.

Our concert includes something for everyone with songs from West End shows, such as *My Fair Lady* and *The Sound of Music*, well-known classical pieces from Verdi, Fauré and Rutter, through to Abba's *Thank you for the Music* and much more.

All profits from the performance will be donated to the Pancreatic Cancer Research Fund.

Thank you for joining us and we do hope you enjoy the evening.

*Jan Mentha*

**Quintus Benziger, Director of Music, Chesterton Choral Society**

**Quintus Benziger** has been the Director of Music of the Chesterton Choral Society since June 2005, having had extensive experience conducting choirs and operatic societies. He is heavily involved in music making in North West Essex as organist and accompanist and teaches part-time at local schools. He has composed several musicals, the most recent being *The Magic Piper*, which received universal acclaim at the 2008 Thaxted Festival.

A music examiner and lecturer, he is particularly interested in helping to make the learning of music easier and his book on the subject has recently been published. He also runs a successful business, Saffron Choral PROMPT, providing tutorial CDs for singers and instrumentalists in Britain and overseas.

**Suzanne Dexter-Mills, Conductor, Cambridge Concert Orchestra**

**Suzanne Dexter-Mills** has enjoyed conducting the Cambridge Concert Orchestra since 2002. She lives and teaches in Suffolk where she directs ensembles in schools and for the Suffolk County Music Service.

Suzanne also conducts the South Suffolk Youth Orchestra and regularly coaches the woodwind section of the National Children's Orchestra. In addition, she finds time to play as principal clarinettist in the Wolsey Orchestra, the Churchgate Sinfonia and Churchgate Wind Octet.

## About the Chesterton Choral Society

The Chesterton Choral Society is a friendly, amateur mixed community choir with around 50 members. Based in Chesterton, and now in our 47th year, our aims are to sing choral works and light music to a good standard, for the enjoyment of members and their audiences. We regularly contribute to charities and like to perform concerts for local organisations, residential homes and fundraising events.

The range of music we perform varies widely from choral pieces such as Mendelssohn's *Elijah* and Rutter's *Magnificat*, to Victorian and Edwardian ballads and part songs, madrigals, folk songs, seasonal music and songs from the shows.

New singers are always welcome, especially tenors and basses. We rehearse weekly throughout the year during term time at the Chesterton Methodist Church Hall, in Cambridge. No audition is required and sight reading, though an advantage, is not essential.

## About the Cambridge Concert Orchestra

With around 50 members, the Cambridge Concert Orchestra has been making music and making it fun for over 40 years. We have a reputation for being one of the friendliest orchestras in Cambridge, taking music into the community whilst striving to meet a high standard of musicianship.

We enjoy playing a wide repertoire of light orchestral music, some of which was donated to us in our early days by Charles Shadwell (formerly of the BBC Variety Orchestra). Our ethos is to provide music for everyone and we welcome the opportunity to use our concerts to raise money for good causes.

Enquiries from musicians wishing to join us are also welcome. We rehearse throughout the year in term time, at Chesterton Community College, in Gilbert Road, Cambridge.

## About the Pancreatic Cancer Research Fund

The Pancreatic Cancer Research Fund is a registered charity dedicated to defeating pancreatic cancer by funding innovative research into early detection, new treatments and ultimately a cure.

The charity was founded by Maggie Blanks in 2004, a year after her husband Alan died with pancreatic cancer. Having discovered that survival rates for pancreatic cancer had barely improved in forty years, and that little research was being undertaken, Maggie was determined to encourage more research that was targeted specifically at the disease. She felt the best way to do this was through a charity, which would not only raise new funds for research but also be a voice for pancreatic cancer sufferers and argue for a fair allocation of research funding and attention.

Each year approximately 7,700 people in the UK are diagnosed with pancreatic cancer. It is the fifth most common cause of cancer death, causing five percent of all cancer deaths each year.

For more information about the Pancreatic Cancer Research Fund please telephone 020 8360 1119, email [info@pcrf.org.uk](mailto:info@pcrf.org.uk) or look online at [www.pcrf.org.uk](http://www.pcrf.org.uk).
