

East Anglia's Children's Hospices (EACH)

At EACH we deliver all-encompassing, lifelong care for families. Our aim is to ensure the best possible quality of life for babies, children and young people, as well as to support the whole family. Depending on a family's needs and wishes, we can provide care in one of our hospices, in the family home, in hospital, or in the wider community. This ensures that every family receives care somewhere they feel safe and comfortable. Our hospices are fun, happy and homely places for children to be children, and a dependable, supportive and restful space for families to be families. All our hospices are rated 'Outstanding' by the Care Quality Commission and we pride ourselves on delivering world-class care.

Cambridge Concert Orchestra

The CCO, a registered charity, has been making music, and making it fun and accessible to all, since 1967. We have a reputation for being one of the friendliest orchestras in Cambridge and enjoy playing a wide repertoire of music, exemplified by our programme today.

The orchestra is very privileged in having its own extensive library of sheet music, much of it donated by the BBC. We are also proud to have commissioned new pieces by contemporary composers. This means that every concert is different and there is always something for everyone. While the orchestra's emphasis is on enjoyment, our concerts also serve to raise money for many different charities.

Suzanne Dexter-Mills has held the post of conductor since 2002, after many years as musical director of the Suffolk Concert Band. Formerly Head of Woodwind for the Suffolk County Music Service, she conducted the South Suffolk Youth Orchestra and founded the Suffolk Youth Wind Band. She regularly coaches the clarinet section of the National Children's Orchestras and has also conducted the Churchgate Sinfonia.
